

BeautyLash Eyelash Growth Booster

Activates lash growth with the natural ingredient Black Sea Rod Oil

The key substance Black Sea Rod Oil, naturally found in the Caribbean coral *Plexaura homomalla*, significantly and verifiably extends the growth phase of the eyelash roots. After 6 weeks first results are visible, after 10 weeks the eyelashes are significantly longer, fuller, and stronger.

The efficacy of the product was confirmed in a clinical study: 90 % of users showed up to 56% (=4,2 mm) longer lashes after 10 weeks!

- Dermatologically tested
- Ophthalmologically tested
- Free from hormones, prostamid, paraben and perfume

Target Group:

Endless long and thick lashes give you a glamorous look. BeautyLash Growth Booster helps you getting there: if applied on a daily basis, the lashes grow significantly longer and thicker. The efficacy of the product was confirmed in a clinical study. **93%** of the users were **very satisfied** with the result after 10 weeks.*

BeautyLash Growth Booster can also be used to fill in sparse eyebrows or bare spots.

Application:

Use BeautyLash Eyelash Growth Booster daily every night after washing your face. The application mode is similar to the one of eyeliners. In doing so, directly apply a small amount of the serum to the upper and lower roots. One stroke of the brush is enough. There could be a short-lived, light tingling at the start, which is harmless.

* The efficacy of the BeautyLash Growth Booster has been confirmed by a recognized German test-institute in a clinical with 30 women.

Ingredients:

Aqua, Phenoxyethanol, C12-15 Alkyl Benzoate, Caprylyl Glycol, Panthenol, Acrylates / C10-30 Alkyl Acrylate Crosspolymer, Biotin, Alcohol, Sodium Hydroxide, Black Sea Rod Oil, Sodium Hyaluronate, Phenethyl Caffate, Hydrolyzed Glycosaminoglycans.

GROUP DATA SHEET

MASCARA (REGULAR)

Last modified: 2016-03-07

Corresponding frame formulation (CPNP): 7.22-2013

1. Identification of the product

Cream emulsion on an oil/wax base with oils, silicones, colouring agents and colour pigments to cover the eye lashes.

2. Hazards identification

When used properly, the product is safe and tolerable in accordance with the legal provisions (Article 3 of the EC Cosmetics Regulation). The following information applies to inadvertent misuse or accidents as well as possible commercial uses.

Product may be flammable.

3. First aid measures

Measures in the event of

– Inadvertent contact with eyes: rinse thoroughly with plenty of lukewarm water immediately; if irritation persists, consult ophthalmologist as a precautionary measure.

– Inadvertent ingestion of larger amounts: do not induce vomiting. Rinse out mouth and drink about one glass of water. Where appropriate, consult Poison Control Centre or doctor.

When consulting a doctor or a Poison Control Centre always have packaging or label and possibly package insert available.

4. Fire fighting measures

All common extinguishing agents are suitable.

5. Accidental release measures; disposal considerations

In the event of spillage/leakage: mop up main volume with cloths; when larger amounts are involved, dispose of cloths and mopping up material by controlled disposal – possible risk of fire. Remove rest with plenty of water and common cleaning agent.

Packaging should be recycled after residual emptying. Filled, unused packages must be disposed of separately in accordance with the waste management directives of the municipality.

6. Handling and storage

Must be used in accordance with manufacturer's instructions. Observe any warnings on packaging.

Store in a cool and dry place (room temperature). Reseal container after use.

Product may be flammable. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking.

7. Other information

Refer to conditions of use and any warnings on the product or packaging.

For consultation in the event of poisoning, the Poison Control Centres have additional details about the individual products. When consulting a Poison Control Centre always keep packaging or label and possibly package insert available.
