

BeautyLash Eyebrow Growth Booster

Activates the eyebrow growth with the natural ingredient Black Sea Rod Oil

The key substance **Black Sea Rod Oil**, naturally found in the Caribbean coral *Plexaura homomalla*, significantly and verifiably extends the growth phase of the hair roots. This is how the BeautyLash Eyebrow Growth Booster stimulates sparse and overplucked eyebrows and helps to achieve significantly **thicker, bolder and darker brows** when used regularly **after 10 weeks**. Furthermore Aloe Vera provides for extra care and shine.

- Dermatologically tested
- Free from prostamid

Target Group:

Eyebrows frame your face and give expression– the BeautyLash Eyebrow Growth Booster stimulates **naturally sparse or overplucked eyebrows** and helps to achieve significantly thicker, bolder and darker brows when used regularly. The effectiveness has been clinically proven and after ten weeks of application 93% of users are “**satisfied**” or “**very satisfied**”.*

Application:

Apply the BeautyLash Eyebrow Growth Booster every evening after washing your face on the parts that need optimization. Eyebrows should be clean and dry.

* Effectiveness and compatibility proven and confirmed by a renowned German test institute
